## Access to Online Electrical and IT/ Telecommunications and Catering Orders

- Log into <https://gaylordopryland.boomerecommerce.com>
- You will need to register with the site to be able to order services.
- Once you log in locate your show under the "My Events" section.
- Select the appropriate services department.
- Choose the services for each department for your booth, clicking on "Add to Cart" at the end of each selection.
- Review your shopping cart.
- After all your selections are made and verified continue through the "Secure Checkout" icon.
- Should you have questions please reach out using the "Help" button at the top right of the page. This will alert a specialist that you need assistance with your order.
