Dear Mr. Wolf:

Thank you for your letter dated March 4, 2011, concerning the legislation you have introduced, H.R. 440, to create a special envoy position at the State Department to focus exclusively on the plight of religious minorities in the Middle East and South Central Asia.

We whole-heartedly support this legislation and will work to promote its passage.

At our Board meeting in February a Resolution was passed which calls upon the President to make a bold public statement against the international persecution of Christians, and to further enforce that position through his choice of Executive Branch appointments and through his foreign policy decisions. I have enclosed a copy of the Resolution.

In addition, I have been in contact with Consulates in Atlanta and New York regarding the persecution of Christians in the Middle East.

We at NRB are so very thankful for all you are doing to protect the persecuted church around the world.

If I can be of any further service to you, please let me know.

Yours in the Faith,

Frank Wright, Ph.D.
